

Sempra to Participate in the Wolfe Research Utilities, Midstream & Clean Energy Conference 2025

September 26, 2025

SAN DIEGO, Sept. 26, 2025 /PRNewswire/ -- [Sempra](#) (NYSE: SRE) today announced that company management will participate in the Wolfe Research Utilities, Midstream & Clean Energy Conference 2025. Jeffrey W. Martin, chairman and CEO of Sempra, Karen Sedgwick, executive vice president and CFO of Sempra, Justin Bird, executive vice president of Sempra and CEO of Sempra Infrastructure, and Allen Nye, CEO of Oncor Electric Delivery Company LLC, will meet with investors during the conference.

Martin will deliver a keynote presentation on Sept. 30, 2025, at 12 p.m. EST, highlighting Sempra's previously announced capital recycling transaction and strategic reinvestment of proceeds into its utility-focused capital campaign.

About Sempra

Sempra is a leading North American energy infrastructure company focused on delivering energy to nearly 40 million consumers. As owner of one of the largest energy networks on the continent, Sempra is electrifying and improving the energy resilience of some of the world's most significant economic markets, including California, Texas, Mexico and global energy markets. The company is recognized as a leader in sustainable business practices and for its high-performance culture focused on safety and operational excellence, as demonstrated by Sempra's inclusion in the Dow Jones Sustainability Index North America. More information about Sempra is available at [sempra.com](https://www.sempra.com) and on social media [@Sempra](#).
