Item 5. Other Events.

As more fully described in Registrant's Current Report on Form 8-K dated July 15, 1998 and incorporated herein by reference, in June 1998 a coalition of consumer groups received verification that its electric-restructuring ballot initiative received the needed signatures to qualify for the November 1998 California ballot.

On July 16, 1998 the California Supreme Court denied the July 6, 1998 petition seeking to overturn the Third District Court of Appeal's denial of the petition to remove the voter initiative from the ballot. The California Supreme Court refused to grant review of the petition at the present time. Such ruling did not represent a ruling on the merits of the arguments presented; rather, the ruling was a decision by the court not to consider the merits of the petition prior to the November balloting.

Item 7. Financial Statements and Exhibits.
